5555 XK Valkenswaard  
The Netherlands

## DECLARE THAT

**Product range** **Perfume Your Bin starter set and pine, flower**  
Have been investigated on Safety and Environmental issues

**Product safety / REACH** The products meet the regulation of 2001/95/EC for general product safety regulations and 1907/2006/EC on hazardous substances (REACH). Based on actual knowledge the perfume does not contain Substances of Very High Concern (SVHC chemicals) or substances of the REACH Candidate List

**Safety labelling at Packaging according to CLP legislation**

**Warning: causes serious eye irritation. contains perfume, may cause sensitisation by skin contact. Harmful to aquatic organisms, may cause long term adverse effects in the aquatic environment**

This labelling is based on the new CLP 1272/2008 legislation starting from June 2015. (Until June 2017 there is a transition period in which products are allowed to carry old or new labelling and resisting stocks can be send out). The full Material Safety Data Sheet does not indicate hazard labelling, but the symbol and text was added for information purposes and to reduce risk. Environmental risk for water pollution is not applicable when product is used as intended and not drained

**Risk of contact** For the intended use (odour control in a waste bin) the actual risk is low, as the fluid is packed in a closed capsule with membrane. At normal use there is no actual contact with the perfume. However, the advise for all perfumes and chemicals is to keep them out of reach for children and pets.

**First aid** In case of skin or eye contact : flush with clean water for min. 15 minutes  
In case of inhalation: move to fresh air  
In case of ingestion, resisting irritation or other complaints: seek medical attention

## PRODUCT SAFETY INFORMATION

---

<b>Composition</b>	The product contains glycolethers, perfumes and essential oils
<b>Allergy information on essential oils</b>	<b>Flower and starter set contain following allergens</b> Ethyl 2,3-Epoxy-3-Phenylbutyrate, #-Methyl-1,3-Benzodioxole-5-Propionaldehyde, 3-Methyl-4-(2,6,6-Trimethyl-2-Cyclohexen-1-Yl)-3-Buten-2-One, Dimethylcyclohex-3-Ene-1-Carbaldehyde (Isomer Unspecified), and [1Alpha(E),2Beta]-1-(2,6,6-Trimethylcyclohex-3-En-1-Yl)But-2-En-1-One  <b>Pine set contains following allergens</b> Eugenol, 4-Tert-Butylcyclohexyl Acetate, 2,4-Dimethylcyclohex-3-Ene-1-Carbaldehyde, Cineole, Pin-2(3)-Ene, Coumarin, 3,7,7-Trimethylbicyclo[4.1.0]Hept-3-Ene, (R)-P-Mentha-1,8-Diene, 2-Methylundecanal, Pin-2(10)-Ene, P-Mentha-1,4(8)-Diene, and Dodecanal
